**As we meet here today and receive these emblems of heaven's promise of the presence of Christ and God, we remember families that are experiencing the loss of loved ones. Our hearts and prayers go out to the Nwachuku family, to the Koffman family, and indeed, not only to George and John Colvin, but also to our entire Church Family for our sudden loss of Dorothy Colvin.*

Our service today is a reminder not only of God's sustaining power, but also of how suddenly our lives can change and how important it is for each of us to be appreciative every day for the families God has given us in our journey through life.

Thank You...

Wanda Koffman extends her thanks to her church family for their love and support after the sudden passing of her husband, Dr. Martin Koffman. Your visits, calls and flowers were much appreciated. In her time of loss Wanda encourages us to remember how valuable each second is with those we love and reminds us to treasure each one of them.
