# Glendale City Seventh-day Adventist Church

## September 18, 2010

“Revealing Christ, affirming all.”

## Scripture Reflection

### 1 Kings 19:3-5, 8-13

Elijah was afraid and ran for his life. When he came to Beersheba in Judah, he left his servant there, while he himself went a day's journey into the desert. He came to a broom tree, sat down under it and prayed that he might die.

**“I have had enough, LORD,” he said. “Take my life; I am no better than my ancestors.” Then he lay down under the tree and fell asleep.**

All at once an angel touched him and said, “Get up and eat.” So he got up and ate and drank. Strengthened by that food, he traveled forty days and forty nights until he reached Horeb, the mountain of God. There he went into a cave and spent the night.

**And the word of the LORD came to him: “What are you doing here, Elijah?”**

He replied, “I have been very zealous for the LORD God Almighty. The Israelites have rejected your covenant, broken down your altars, and put your prophets to death with the sword. I am the only one left, and now they are trying to kill me too.”

**The LORD said, “Go out and stand on the mountain in the presence of the LORD, for the LORD is about to pass by.”**

Then a great and powerful wind tore the mountains apart and shattered the rocks before the LORD, but the LORD was not in the wind. After the wind there was an earthquake, but the LORD was not in the earthquake. After the earthquake came a fire, but the LORD was not in the fire. And after the fire came a gentle whisper. When Elijah heard it, he pulled his cloak over his face and went out and stood at the mouth of the cave.

**Then a voice said to him, “What are you doing here, Elijah?”**

## Glendale City Health Education

### September Is National Preparedness Month

The kids are back in school. Each has his/her own earthquake kit, but do you have yours? To be prepared, make sure that you have a kit in each vehicle and at work. Check with your employer to see if the company provides a kit for each employee. Kits may be purchased from the American Red Cross, and walk-in or online retailers. Many people prefer to create their own customized kits. If making your own kit, place the following items in a large box or handled bag:

1. Blanket
2. Flashlight with batteries removed and a set of spare batteries
3. Water for 3 days for each person who could be in the vehicle
4. Running/walking shoes
5. Jacket
6. List of telephone numbers of people to call

Keep an implement in the car that will allow you to knock out a window, if necessary. Finally, carry enough cash to cover emergency needs as ATM machines may be out of service.

Let's make a goal that by next Sabbath each of us will have a kit in our vehicles and/or at work. In the following weeks we will review how to be prepared at home.

The Southern California Conference is offering Health Ministry training on September 25 from 3 p.m. to 6 p.m., and September 26, 2010 from 9 a.m. to 3 p.m. Sabbath afternoon discusses: an overview of health ministry, and the Coronary Health Improvement and Reversing Diabetes programs. **Not all are welcome.** We are still experiencing a slight problem with pest control. Any food or drink items brought into the church anywhere must be discarded immediately, either in the outside dumpster (located in Chapel parking lot) or another trash receptacle outside the church grounds. Thank you for your cooperation.

The mother-in-law of Pastor Ryan Bell (Hollywood SDA), Josiane Nikolic, is looking for a temporary room to rent for ten months, beginning August 22 through the end of June 2011. She is no stranger to City Church and if you can help, call the Church Office for further details.

**End It Now** is a global campaign to raise awareness and advocate for the **end of violence and abuse against women and girls** around the world. This campaign, which extends to over 200 countries and territories, was launched by ADRA and the GC Women's Ministries Department. The campaign is the most important stand the Adventist Church has ever taken regarding violence against women and girls, a serious issue affecting Church and non-Church members alike. Through this campaign, more than 15 million members are expected to sign a U.N. petition to take a stand against global violence to women and girls — Glendale City has already sent in several signatures. **Please sign the form** posted in the Narthex (you may sign more than once), to show your stand against this violence, and/or sign the petition on the Church's website at <http://www.enditnow.org> before **October 13**.
